Umpire Clinic

OTTA is offering a Club Level Umpire Clinic for its members. The clinic will cover basic rules and regulations of the game. An open book examination consisting of multiple choices and true or false type of questions will take place at the conclusion of the clinic. Chapter 2 of the ITTF Handbook, "The Laws of Table Tennis" is a good source of reference material and can be downloaded from the ITTF website http://www.ittf.com/ittf_handbook/ittf_hb.html Participants should study this material and bring it to the clinic along with pen or pencil to write the examination. Successful candidates will obtain certified Club Umpire status, a first step leading towards more advanced levels. Note that all junior players going to the National Championships require Club Level Certification.
