Eligibility

- b) announce team captain (it can be playing or non-playing captain, coach, manager) that will take care of team duties (giving roster, correspondence with league officials)
- c) pays fees on time.

Fees

Entry fee

200 dollars per team

Should be paid to league officials before entry deadline.

Of all collected entry fees 60% will be returned to city organizers to cover their expenses proportional to number of days they actually arrange it.

If we have a case where one city is not hosting a league than each team from that city will be given back 30% of entry fees (60\$) to participate in their travel expenses.

20 % will be spend for prizes and rewards (trophies and/or medals)

20 % for managing league (meetings, publishing results, stationeries...)

This budget assumes a lot of volunteer work.

Refundable fee

300 dollars per team

Should be paid to league officials before entry deadline.

This fee will be returned to team captain once when league is over. However, if team fails to complete competition or one match fee will not be returned.

Also, if team failed to show up on one or more matches with minimum 3 players only half of refundable fee would be returned.

Team with less than 2 players would not be allowed to play.
