Ho, Justin finally gets his ticket entry for the champion title series with the Medal of Silver presented in MyTTC Student League 2008 (Winter), which representing that there is nothing for sure win or absolutely lose during the Ping Pong tournament. All rely on you how to performance well at the scene. There is always happened like: A won B; B won C; and finally C won A in a circle. Don't give up easily before eventually ending is the motto delivery to all participants in the event. Justin is just setting up an excellent example how to seize back his title. Besides of titles mentioned, we still need to bring out with small group champions in the First Round Robin including:

LEUNG, Ashlyn
