The schedule is there more to give you the best APPROXIMATION. We will do our best that events start on time. However, once the event starts, time can change and some matches can be called earlier (as soon as previous scheduled matches finish). If you want to temporarily leave gym you are facing risk of being called. During tournament desk will be happy to give you information which matches are going to be called next. Once when players' registration is done competition manager keeps right to change groups.
